

# TRAIN ANYTIME, ANYWHERE THE NEW ERA OF GYM INNOVATION

Innovate Your Fitness Journey with Smart, Modular Gym Design

## INTRODUCING CAPSUL GYM PODS THE PERFECT FITNESS SOLUTION FOR EVERY LIFESTYLE

In a world that demands convenience and innovation, Capsul Gym Pods revolutionize fitness with smart, modular design. These compact, high-performance spaces bring workouts anywhere—urban centers, offices, or residential areas. Whether enhancing an existing gym or creating a standalone fitness hub, they offer efficiency, style, and cutting-edge technology. Capsul Gym Pods are the future of fitness, built for modern lifestyles.

Capsul Homes provide the ideal foundation for a flexible, customer-driven fitness experience, with easy setup and mobility

# CAPSUL Flexible for Your Space, Built for Your Fitness

## Customization at Its Best

Each Capsul Gym Pod is fully customizable, from the exterior design to the interior layout. Choose from a range of finishes, flooring, equipment, lighting, and branding options to create a gym space that suits your unique needs and style. Perfectly crafted for performance and tailored to reflect your vision.

- **Custom Sizes:** Available in 10ft, 20ft, and 40ft options.
- **Durable Build:** High-quality, weather-resistant materials.
- **Flexible Layout:** Tailored to your workout needs.
- **Climate Control:** Adjustable heating and cooling systems.
